MPO Loopback Patchcord

Features

- ◆ MPO / MTP connector interface patchcord
- ◆ Different options for different installing enviroment
- ◆ SM (9/125), MM (50 or 62.5/125), OM3 Fiber are available
- ◆ 8/12/24 core fiber are available
- ◆ Max 24 core

Application

- ◆ Data Center
- ◆ Cabling system
- ◆ High Density Cable Management
- ◆ Loopback line testing

Specification

| Item | SM | | | MM | | | |
|-----------------------|-----------------|---------|---------|--------------------------|---------|--|--|
| Fiber diameter | 9/125um | | | 62.5/125um 50/125um | | | |
| Insertion loss | <0.3dB | <0.5 dB | <0.7 dB | <0.5 dB | <0.7 dB | | |
| Return loss | >60dB | | | >35dB | | | |
| Fiber diameter | 9/125um | | | 50/125um、 62.5/125um、 | | | |
| Insert- pull test | 500times<0.5 dB | | | | | | |
| Operation temperature | -40°C ~ +80°C | | | | | | |
